

## DIVERSITY ACTION PARTNERSHIP

Engineers of Tomorrow (EoT) is a resource of knowledge and experience in the diversity & inclusion field unmatched by others.

*Hire EoT to consult for your company on the following topics:*

1

Assess **current state** of diversity & inclusion within your organization using state of the art research and national best practices

2

Identify **interventions** to ensure your marketing messaging is encouraging diversity; assess stereotype threat, and plan for success and a measurable impact

3

Connect you to a wealth of resources including **workshops & training sessions** and a community of like-minded organizations

**ERICA LEE GARCIA** *P. Eng.*

After obtaining her P. Eng. Erica began her own consulting firm, and has worked to become a national voice of positive change in engineering. She enjoys traveling and mentoring young people.

**REBECCA WHITE** *B. Eng*

After more than 10 years of experience in the manufacturing industry, Becky has become an advocate for diversity & inclusion in engineering. She enjoys podcasts and creating with Lego.
